Rumpy Pompey

My wife and I enjoy the excitement of 'accidentally' flashing and have recently tried 'dogging'.

This proved a real turn on for us, so much so that we even put on a show for two guys who openly wanked at the side of our car last week.

Our most successful flashing technique is for Lisa and I to go out in some of our finest clothes.

Lisa always wears loves to wear her favourite 'flashing outfit'.

This comprises of a black see-through top, with a little frilly neckline, no bra and a short skirt, stockings and no knickers.

CONTACT ME

Lisa usually needs a few glasses of wine to pluck up the courage but once she's ready, I'll ask the barman or a passer-by to take a few pictures of us both.

I'll show him how to focus, then sit next to Lisa and give her a nudge.

Once I'm in place, she moves into 'flashing mode' and drapes a leg over my knee and exposes her stocking tops and, maybe, a little pussy too.

I'll ask the guy to take two photos in case the first doesn't come out, though really it's to give the guy a legitimate excuse to gawp at her pussy.

£90

We did this 'flashing trick' in our local pub and, towards the end of the evening, I asked the barman if I could take some photos of Lisa playing pool.

No one else was about, so he agrees. Secretly Lisa had clocked him already trying to get another look at her beaver.

"SHE SLOWLY WANKED ME OFF AS SHE KISSED MY PURPLE HEAD."

We were both a little drunk and Lisa didn't object when I pulled her top down.

Her pert breasts were right in front of the barman's eyes and he was quite complimentary about Lisa's charms.

We called him over and asked him to suggest a few poses, so the barman visibly gulped and asked her to bend over the pool table.

"Like this?" she cooed, leaning right over the table with a stick in her hand.

As she bent forward, the backs of her legs came into view and her pussy suddenly appeared.

The barman snapped away, quite eagerly, as Lisa twisted her legs this way and that.

Lisa continued to pose and came over to me and unzipped my trousers.

My straining cock popped out right in front of her face,

MORE ON PAGE 22

and she looked up at me and licked her lips.

She wrapped her hand around it and slowly wanked me off as she kissed my purple head.

Then she parted her lips and took the entire thing into her mouth until my balls were draped over her chin.

The barman was still snapping away and even captured the expression on Lisa's face as I unloaded the contents of my balls down her gulping throat.

Naturally, Lisa felt for the barman, especially after all his fantastic photography, so she let him wank off all over her tits.

A great splash of sticky cream coated her boobs and she stirred it about with her fingers then licked them clean.

We've just moved to Portsmouth from Cornwall and are wondering if any of the Pompey pubs are equally obliging.

Jason, Portsmouth.

Rose

Elfin Rose certainly seems to have a very healthy attitude to sex – get as much of it as you can!

"Well, yes, I guess that just about sums it up!" she grins. "Ever since I first had a lesbo fiddle with a friend at college I've thought that life's too short to pass up an opportunity to have some naughty fun. Since then I've tried all sorts of things and, well, I'm still open to suggestions!"

How about an impromptu bunk up with a lowly Escort blurb writer then? Sound like a plan?

"Er, possibly – although not a very good one…"

There's nothing worse than having to stay in all day to wait for a special delivery, is there? Then again, we couldn't really complain after the poor delivery guy had deposited this package on our doorstep!

Thankfully she survived the journey in one piece, and even her glass dildo remained intact! Now if only Amazon could deliver something like this, nobody would be worrying about drones clogging up the skies in a few years' time!

HAPPy Finish!

I recently took a training course to become a masseuse.

Ever since my first day on the course, I'd really fancied my instructor, Mark.

He was the most gorgeous man I'd ever me, and we got on really well, but he'd never shown any interest in me, despite my constant flirting.

On the last day of the course, in order to pass, I had to give an assessor from a different college a full body massage.

I was very nervous as all I had was one last practical lesson with Mark before the exam.

He could obviously tell I was nervous and tried calming me down by massaging my shoulders.

He told me to lie on the massage table and take my shirt off so that he could give me a proper massage.

I did as he said and he unhooked my bra and slipped the straps over my arms.

I felt my pussy start to tingle as he massaged my back with warm oil-covered hands.

He slowly moved his hands further down my back, then asked if he could take off my jeans and give me a full massage.

I raised my hips and he slipped them over my arse and down my legs.

I was wearing some very small white cotton panties and he must've been able to see my dripping cunt right through them, but he didn't say anything.

He started massaging me again, starting at my feet and slowly moving up my legs and between my thighs.

I moaned as his fingertips brushed against my soaked panties and chewed on my lip, I was that close to cumming.

He must've known how turned on I was because he started teasing me by running his fingers along the edges of my knickers and all over my sopping cunt.

As he did this, I couldn't help but moan again, only this time much louder.

The moment I moaned, he pulled down my panties, threw them over in the corner and turned me over onto my back.

I raised my hips and opened my legs as he dipped his head towards my shaven cunt, and started lapping at my swollen lips.

I bit my lip to stop myself from crying out as I came and gushed all over his tongue.

My instructor sat up and dived at one of my nipples, sucking and licking all around it as he thrust his fingers into my gaping hole.

I came even harder as he pumped my cunt and squirted my juices all over his arm and the table.

It didn't seem fair, me getting all the pleasure, so I started to rub the bulge in the front of his trousers, undoing his fly as I did so.

I pulled his cock towards my face and swallowed the whole lot in one go.

He must've been really turned on because the moment he was in my hot, wet mouth I felt him twitch.

I wanked him slowly while running my tongue up and down his shaft, and felt a great squirt of cum hit the roof of my mouth.

I closed my lips around his tool and swallowed the entire load as he pumped it deep into my throat.

That relaxed me nicely and that afternoon you'll be pleased to hear I passed the exam with flying colours!

Nikki, Norfolk.

Are we imagining things, or is Jess West particularly keen to show off her bum here?

"No, you're not imagining it!" she grins. "Guys are always going on about how they love my bum, and although I've never really been in a position to fully appreciate it myself, I've grown very attached to it. There's nothing a fella likes more than easing his cock into me from behind and grappling with my arse cheeks as his prick ploughs into my cunt… although actually there is one thing they like more, now I think about it…"

Aloha, Sarah Jane! Ahem, and despite the rather unconvincing bamboo shack and the fake coconut, there's no getting away from the fact that Sarah here looks like just the sort of fertility goddess that many a Polynesian culture would worship! Happy Birth-toy!

It was my boyfriend's birthday last week and I thought I'd tell you about the very special present I arranged for him.

I was stuck for something to buy so I looked on the internet and found an adult website that sold everything I needed.

I placed an order and couldn't wait for the postie to deliver. My pussy was soaking wet at the thought of what I'd planned.

It arrived on the day itself and I ripped it open and waited for my fella to get home.

The look on his face when he came through the door was a picture.

On the TV there was a DVD playing – of two sexy girls spitroasting another with huge strap-on cocks.

Then he saw me lying on the sofa wearing only my stockings and heels, slowly sliding three fingers in and out of my glistening pussy.

"Don't just stand their gawping," I scolded. "My cunt needs your tongue in it – pronto!"

He was on me in a flash, expertly teasing my throbbing clit before sticking his tongue deep inside my sopping wet hole. I grabbed his head with both hands and ground my pussy into his face so hard he could barely breathe.

I came in floods all over his face.

Then I pushed him to the floor and straddled him in a 69. I handed him my new huge pink dildo and told him to fuck me with it while I sucked his cock.

He soon had me cumming as he stretched my cunt to the limit with the dildo's huge shaft. To stop me from screaming the house down, I lowered my mouth on to his cock.

I teased him by holding just his throbbing helmet in my mouth and working it with my tongue.

I felt some pre-cum ooze out of him and began sucking harder and harder on the tip of his cock. Then I forced my mouth down hard, taking the full length of his 8 inch cock. But as this was his birthday I had a little surprise for him. I'd previously lubed up a butt plug and as I sucked his cock I slipped it into his tight little arsehole.

He jumped and came instantly, pumping jet after jet of hot cum into my mouth and all over my face,

hair and tits.

I was so turned on by now I desperately needed his cock inside me. I sucked him back to full hardness and told him to fuck me good and hard from behind for being a dirty little bitch.

He didn't need telling twice. He bent me over the sofa and sank his big hard cock into my aching pussy. He slammed in and out of me as hard as he could.

He knows exactly how I like to be fucked – hard and rough – so he pulled on my pigtails and spanked my arse and it wasn't long before I came all over his cock.

As he was about to cum, he whipped his dick out of my cunt and shot his creamy load all over my firm arse cheeks.

We both collapsed in a heap and Chris admitted it was his best birthday ever. He's promised me a horny threesome for my birthday. Hopefully I'll be getting my first taste of pussy off a sexy girl very soon!

Amy, Lancs.

For anyone who watched Jane Fonda getting her rocks off in Barbarella at a formative age, Lacey here's bound to hit the right spot, don't you think?! That back-combed blonde beehive and her trim figure make her look like just the sort of girl we'd like to see stripping off in zero gravity. As it is, the budget couldn't quite stretch to a trip to the ISS so we've got her stripping off in normal gravity, which isn't too bad either, is it?
